POP! A Romantic ♥ First Kiss!

AP 14 A Romantic ♥ First Kiss??

It's spring so I drew cherry blossoms! I love cherry blossoms! It's my favorite flower. This cover page was made to look like a school entrance ceremony. I wanted to draw a girl's white sailor-style uniform and a blazer jacket. I think Ich and Zero look good in blazer jackets.

There's been some progress in the love story, I think! It's hard to tell. I have no idea what will happen, now. I'm still supposing as I go along, so I always wonder if this is fine. But on the other hand, it's probably better that we don't predict the story.

This time I chose the chapter title. I took Ilvian's basic idea and used it. (Laugh)
